# U15 SAINTS FIJI TOUR 2026

## OVERVIEW

We're excited to launch the inaugural Saints Rugby U15 Fiji Tour, a unique opportunity for 20 young players to represent their club and community on an international stage. Beyond rugby, this tour offers competitive matches, cultural immersion in Fiji, and team-building experiences that will shape these boys into stronger athletes and individuals.

**Dates** : 7th – 15th April 2026

**Location** : Pacific Harbour, Fiji

## WHY WE NEED YOU

To make this tour affordable and accessible for every player, we're seeking sponsorship from local businesses, families, and community leaders. Your support will ensure all players can participate in this life-changing experience.

# WHY IT MATTERS

This tour is about far more than rugby. It is about opening doors, building futures, and creating experiences that will stay with our players for the rest of their lives.

By sponsoring the inaugural Saints Rugby U15 Fiji Tour, you are:

Investing in the next generation – giving young athletes the chance to test themselves on the international stage, grow in confidence, and carry forward the values of discipline, teamwork, and resilience.

Creating once-in-a-lifetime opportunities – some of our boys have not yet had the chance to travel overseas, or experience rugby in such a unique cultural setting. Your support helps make this dream possible.

Building cultural connections and goodwill – sport is a universal language, and through this tour our players will connect with their Fijian peers, embrace local culture, and experience the joy of giving back through donations and community service that will strengthen ties between Saints Rugby and our Fijian hosts.

Helping create a legacy – this inaugural tour is just the beginning. With your support, we can establish a long-term tradition of international tours that will inspire and benefit future generations of Saints players.

Your sponsorship is more than funding a rugby tour – it's changing lives. It will help our boys grow not only as players, but as people. They'll return with stronger friendships, broader perspectives, and memories that shape who they become. By supporting this tour, you're giving these young men an extraordinary opportunity they may never have again – while helping us build a lasting legacy of rugby, culture, and community spirit.

# THE SPONSORSHIP OPPORTUNITY

## Why Sponsor Us?

Your support directly helps us:

- Fund cultural, educational, and team-building experiences
- Support youth development through sport
- Reduce the cost of the tour for families
- Provide quality gear and resources for players

## What You'll Receive

As a valued sponsor, your business or brand will be promoted through:

- Player & Coach Tour Kit: Your logo worn proudly in Fiji
- Social Media Campaigns: Across our club platforms leading up to and during the tour
- Tour Website Recognition: Featured sponsor section with logo and link
- Event Promotion: Acknowledgement at all fundraising events and team presentations
- Ongoing Community Exposure: Through club events, newsletters, and communications
